COLDS

The Federal, the State and the
Municipal Laws, are aimed to protect
the people against Narcotics and habit
forming drugs—

Most Cough and Cold mixtures depend upon Narcotics for their soothing effects.

Dr. Humphreys' "Seventy-seven" for Colds and Grip is the exception and only does good—not harm.

Pleasant to take, handy to carry, fits the vest pocket.

25c and \$1.00, at all druggists or mailed.

SICK TOMORROW
Dose of nasty calomel makes
you sick and you lose a
day's work.

Calomel salivates! It's mercury. Calomel acts like dynamite on a sensitive liver. When calomel comes into contact with your bile it crashes into it, causing cramping and nausea.

If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful

Anxious.

Your craving for excitement is likely to do you great and lasting harm if you are a successful stenographer and have the assurance that you have talents for moving picture work it would be foolish trying anything new until you have a rainy day fund to help you until you are established in the new field. Why not try to advance to an important secretarial position? Be a bit more settled and honestly ambitious.
